To whom it may concern,

I write to confirm that the International ISBN Agency acts as the registration authority for the ISBN system worldwide. Since 1 March 2020 publishers based in Brazil should apply to Camara Brasileira do Livro (CBL) for ISBNs to identify their publications as Camara Brasileira do Livro is now the ISBN Agency for Brazil, having been appointed as such by the International ISBN Agency.

The International ISBN Agency is a UK-based organisation. Our company registration number is 05332288. Our website is [www.isbn-international.org](http://www.isbn-international.org).

Yours sincerely
